

PA Unveil New Piano 5th December 2019

There was quite a bit of excitement in the lead up to Christmas when the Parents' Association donated a piano to the College. On numerous occasions we have all walked through the foyer to the sounds of music reverberating throughout the school. With its history so entwined with the arts we thought it a fitting presentation and a lovely opportunity for anyone passing the piano to give an impromptu performance. For this very reason the piano has been placed in the foyer where it is accessible to every single student and member of staff who might be inclined to belt out a tune as they are passing. In fact there has even been a few random singalongs as well as some hidden talents discovered! It is a wonderful way for the students to come together and unwind while playing the piano.

The accompanying photograph shows Chairperson of the Parents' Association, Karin Ennis making the presentation along with Fr Paddy Greene, Deputy Headmaster Tom Doyle, Daniel Dunne and Aisling Bridgeman from the Music Department, Esther Hoban, PA Secretary and Claire Burke, Vice Chair with music students from the College.

We would like to thank Fiona O' Byrne for all her work and research into procuring the piano.
